## KARAMA A STAR YOUNGSTER.

**RUNS HALF A MILE IN 47½, EQUALLING THE CITY PARK TRACK RECORD.**

**Coruscate and Harry Stephens in an Exciting Struggle—Nicol Rides Three Winners—Romanelli is Twice Fined.**

New Orleans, La., February 1.—The track record for half a mile was equalled by Karama in the opening race at City Park this afternoon. The son of Jean Bereaud and Enough made a show of his opponents, winning pulled up in :47½. Had there been anything in the race to push him to the limit he would surely have run it in :47, possibly better. Libation, with 115 pounds up, set the track record at :47½ on March 23, 1905. Karama was bred by Milton Young at McGrathiana Stud, Lexington, Ky. The performance of this youngster today is the best by any two-year-old in 1906. His time for the first three-eighths was :35, and for the first quarter :23.

There were some exciting finishes this afternoon, but the results, from a betting angle, were not satisfactory to the greatest number of the spectators. Rossmund being the only favorite to win. Jockey Nicol again rode three winners—Airship, Red Tuler and Merry Acrobat. In the Airship race, jockey Romanelli, who rode Monacodor, claimed that Nicol had fouled him. The judges regarded the claim as frivolous and fined Romanelli \$25. "Thank you," said the jockey with some sarcasm. "You are fined \$25 more for your impudence," said Judge Trevelyan. "Now you may go."

The seventh race, at one mile and a half, furnished the best contest of the day. Coruscate and Harry Stephens fighting it out head and head through the last three-eighths of a mile. First one would show in front and then the other. The finish was so thrilling that it brought the vast throng to the grandstand to its feet in vociferous applause.

If the track remains fast and Floral King continues to do as well as at present, he will be a starter in the New Orleans Handicap next Saturday. He is asked to shoulder 130 pounds in the race and give away lumps of weight to some of the others. Trainer McCumiskey has the horse as good just now as he probably ever was.

Starter Cassidy suspended jockey Morris six days for pulling up Regale in the second race. Oregon also got six days for general disobedience at the post.

The judges will allow jockey Wishard, whose week of suspension will expire Saturday, to ride for his father and employer on that day, and also to fill an engagement made some time ago to ride Auditor for H. C. Riddle in the stake race.

## SIR WILFRED LOWERS AN ASCOT RECORD.

**Runs Five-eighths of a Mile in :59½—Durnell Gets Money Muss—Horner Is Suspended.**

Los Angeles, Cal., February 1.—In winning the third race today, Sir Wilfred set a new record for five-eighths of a mile over the Ascot Park track. He ran the distance in :59½ seconds and, in the opinion of many horsemen who saw the performance, had there been anything to force him out he would have smashed the American record of :59, which was made by George F. Smith over the old Bay District track at San Francisco in 1895. The previous record at Ascot Park was 1:00, made by Gold Rose, December 5, 1904, while she was the property of Green B. Morris.

The weather today was delightful. In consequence there was an increase in the attendance. "Boots" Durnell had another big day in a betting way. J. B. Brady was another heavy winner. Jockey Miller's riding was a distinct feature, especially so his handling of Henchman. Durnell took Money Muss away from McCafferty, bidding him up from \$1,500 to \$1,900. Jockey Horner was fined \$50 and suspended for one week for rough riding. He will, however, be permitted to ride for his employer.

## LEINSTER IS GIVEN THE POST OF HONOR.

**Four Horses Owned By Americans In the Grand National Steeplechase of 1906.**

Weights for the Grand National Steeplechase, which is to be run over the Aintree course in England March 30, have been announced. The allotments to the eighteen most prominent horses follow:

Horses.	A. Wt.	Horses.	A. Wt.
Leinster	8 175	Comfit	8 154
Kirkland	10 173	Ranunculus	8 154
Drumcree	12 168	The Gunner	9 150
John M. P.	7 162	Ascletic's Silver	9 149
Hack Watch	6 162	Cossack's Post	8 146
Phil May	7 159	Prophet III	7 145
Roman Law	8 159	Dathi	9 144
Pantlander	10 156	Kiora	11 144
Aunt May	10 156	Darline	7 140

Leinster, which has the post of honor, has figured in Grand Nationals of the past. At one time he was favorite for the race of 1905, but he has not been seen under the colors since last February. Kirkland, which is given second highest weight, was the winner last year. He is owned by Mr. Bibby of Liverpool, and is regarded as a strong factor for the 1906 running. Drumcree was the winner in 1903. John M. P. recently created a sensation by winning at odds of 100 to 1. Ascletic's Silver unseated her jockey at the first obstacle in the race of last year and riderless led the field home. The Gunner finished second in the race of 1904. Kiora is a New Zealand horse of considerable merit. He won the Irwell Steeplechase at Manchester about two weeks ago.

He was once shipwrecked and made a swim to shore which watchers at the outset were willing to call impossible. It is said that King Edward recently tried to buy Hack Watch.

There are four horses in the list of eligibles that are owned by Americans. Phil May is the property of "Mr. Cotton." He was so impressed with the horse's running in the race of last year that he bought him when he was offered at auction. "Mr. Cotton" started Seahorse II. in the race of 1905, and as he had made up his mind to bring that horse to America he concluded that Phil May, which had looked like a winner before he made the mistake at the last jump, would have a royal chance for the race this year. Now, however, "Mr. Cotton" says he believes that Phil May's wind is slightly affected and that the Aintree course may prove too much of a task for him. Jimmy Owens has gone from France to England and will have the mount on Phil May in the big race. Dathi and Darline belong to Thomas Clyde and Prophet III. is the property of Foxhall Keene. Prophet III. has never carried colors over the timber. Both Dathi and Darline have raced in England.

## BLACKSTOCK IS DESTROYED.

New York, February 1.—Blackstock, the seven-year-old son of Hanover and Mannie Huiyar (sister to Domino) was destroyed at Frank C. Bishop's

Millstream Stud near Mount Kisco last Sunday. In some unaccountable manner the horse broke his leg while in his stall and destruction was necessary. At the dispersal sale of the late W. C. Whitney's establishment in October, 1904, Mr. Bishop purchased Blackstock for \$4,000. He made his first season in the stud last spring and shortly after his death the first foal got by him was dropped. The horse had been insured, but the policy expired a short time before his death and had not been renewed. Handspring will be shipped from Kentucky to take the place of Blackstock at Mount Kisco. Tom Welsh, who trains the horses of Mr. Bishop and Andrew Miller, will go to Lexington to see to the shipment of Handspring, which is now at H. P. Headley's Beaumont Farm.

## JUDGE SWING'S DECREE IN MADDEN CASE.

Cincinnati, O., February 1.—In announcing his decree in the case of Mrs. Anna Madden against John E. Madden, her husband, for alimony, Judge Swing today declared the charges made by the wife against the record of her husband as a breeder of thoroughbred horses to have been unsubstantiated by testimony. Mrs. Madden is awarded \$250 per month, to be secured by \$65,000 worth of property at Lexington, Ky. The only reference made to the custody of the two sons, who are now with their father at Hamburg Place, is the statement that they are not within the jurisdiction of the court.

## BROOKLYN, SUBURBAN AND BRIGHTON HANDICAP WEIGHTS

Following its custom of long standing, Daily Racing Form lays before its readers the weights assigned the horses engaged in three great eastern handicaps, the Brooklyn, Suburban and Brighton. As was suggested in commenting on the Brighton Handicap weights January 25, Mr. Vosburgh adhered closely to the standard there established when it came to apportioning imposts to the horses engaged in the Brooklyn and Suburban, the greatest variation being in the case of Dr. Leggo, which was given seven pounds more in the Brooklyn than had

been assigned him in the Brighton. In both the earlier handicaps Sysonby has been given the same weight assigned him in the Brighton. The Brooklyn is without penalties, but penalties for winning accrue in both the Suburban and Brighton, so the imposts now assigned may be materially increased in the cases of a number of the horses by the time the dates for their decision arrive. Sysonby as the limit horse can gain no penalty. This tabulation gives the owners, weights and the weight on or off by the scale of weight for age and should be preserved:

### WOULD BE A VALUABLE ADDITION.

It has been suggested to the committee of stewards  
of the Jockey Club, recently appointed to look after  
the preparation and publication of the ninth volume  
of the American Stud Book, that the exact date of  
foaling of thoroughbreds be recorded. This would be  
a valued addition to the record. The only manner  
in which information as to the day and the month  
of foaling can now be obtained is from the private  
records of the breeder or from the sales catalogues.

Winner—Ch. f. by Cesarion—Katie W. (trained by M. Beal).  
Went to post at 1:43. At post 1 minute. Start good. Won easily; second the same. Silver Stocking  
came with a rush through the stretch and, passing Halton in the last furlong, won drawing away.  
Halton set a fast pace, ran a good race and held on resolutely when in distress. Sweet Kitty was a  
prominent contender throughout, but did not run to her best form. Allerion ran a good race and is likely  
to show improvement. The others were always outpaced.  
Scratched—59827 Navarro, 103.

after closing a big gap on the extreme outside, finished fast and ran a cracking race. Frank Woods closed a big gap after getting away badly and tired as if short in the closing drive. Jolly Witch had no mishaps, maintained a forward position for seven furlongs, then retired and ran a bad race. Expedient, as usual, closed an immense gap and is about due. Macene showed good early speed. Ripper quit badly and is in poor form.

Winner—B. g. by Santiago—La Colorado (trained by J. J. Ellerd).  
Went to post at 3:19. At post 4 minutes. Start very bad. Won driving; second the same. Cerro Santa, knocked back suddenly at the half, came around his opponents on the turn and made good with a fast end sprint. Lem Reed, always in close pursuit, moved up on the last turn and straightened for home the apparent winner, but tired suddenly when nearing the end. Stirling Towers stripped lame and was reserved behind the leaders to the stretch, where she finished well. Royal White, away poorly, closed a big gap and is extra good. E. M. Brattain quit badly after forcing the pace for a half mile. Sol Lichtenstein ran forwardly and will make good in soft going. Maid of Fermoyn finished well up. Bonnie Reg quit as if short.

Scratched—59858 Alice Cary, 105; 59884 Jarretiere d'Or, 103; (59758) Entre Nous, 101.

Winner—Ch. g. by Rey del Sierras—Jessie R. (trained by J. M. Stokes).  
Went to post at 3:48. At post 1 minute. Start fair. Won easily; second driving. Royal Rogue, suddenly and remarkably improved, was reserved in close pursuit of the pacemaker, moved up like a flash on the last turn and won drawing clear. Martinmas ran forwardly to the last turn, where he dropped back at a critical moment, but came again and got up for second place in a cyclonic closing sprint. Tom McGrath tired badly at the end of a terrific five furlongs of pacemaking and acts stale. Hector, outpaced badly in the early running, closed up very fast through the stretch and ran a cracking good race. Clydeo was never dangerous and ran a bad race. Judge sulked.

Overweights—Royal Rogue, 1 pound; Martinmas, 1.

Winner—B. g. by Sain—Laura Agnes (trained by T. A. Davies).  
Went to post at 4:12. At post 1 minute. Start good. Won handily; second driving. Ed Sheridan maintained a forward position on the inside throughout and finally got up to win right at the end of a tremendous stretch drive. Supreme Court, after losing ground on the last turn, came along with a whirlwind rush in the last sixteenth and would have won in another fifty yards. The Lieutenant was injudiciously sent into a long lead early and, making the running, was only caught and passed after stumbling in the last fifty yards and was best. Dixie Lad, within striking distance from the start, went wide on the last turn and finished well, but flagging slightly as if short. Wexford commenced to fall back early, was shut off on the first turn, however, and was never dangerous. Hi Col Cap loomed up menacingly at the half, but tired in the closing drive.

Scratched—60037 The Lady Rholesia, 104.

Corrected weights—Ed Sheridan, 106; Hi Col Cap, 106.

Overweights—The Lieutenant, 1 pound.

Rossmont, suddenly improved, went to the front when Austin was ready, drew away with ease in the last quarter and was well in hand at the finish. Helgerson ran to his best form and held the others safe at all stages. Hymettus was close up throughout and had to stand a hard drive to stall off Safety Light. Winner—Ch. c. by Flying Dutchman—Falaise (trained by F. Hanlon).  
Went to post at 2:58. At post 5 minutes. Start good. Won driving; second easily. Airship was reserved for the final quarter and allowed Tichimingo to set the pace, moved up in the stretch run and shook off Tichimingo without much effort, but had to be ridden out at the end to stall off Monacodor. The latter finished fast after saving ground when entering the homestretch, where he came through next to the inside rail. Tichimingo was speedy, but was tiring at the end from his early efforts. Astarita ran to her best recent form. Ida Davis showed speed, but tired. Chief Hayes ran an unaccountably bad race, far below his true form.

Overweights—Monacodor, 21 pounds; Astarita, 11.

## SPEED OF THE WINNING TWO-YEAR-OLDS.

Three Track Records Are Broken and Two Equalled in January—Some Shifty Youngsters.

Three track records were broken and two others were equalled by the two-year-olds racing during the month of January. The new marks are Sweet Kitty's 41½ for three and one-half furlongs at Ascot Park; Bertmont's 42½ for the same distance at Crescent Park, and Boserian's 35½ for three furlongs at City Park. When Benay and Frank Lord ran their dead heat in 48 at Crescent Park on Tuesday last they equalled a record of long standing for the half mile at that track. In fact it is the third time in fourteen years that so fast a race has been run over the old course at New Orleans. The record was established in 1892 by Surget, an aged bay gelding by Pawnee, out of Ouacuita. It was not equalled until Lady Greenwood reached the notch in 1904. The other record tied was that for the three and one-half furlongs at Oakland, it is now held jointly by Sir Wilfred and Nappa at 41½. Incidentally this is but three-quarters of a second slower than the American record which is held by Judge Thomas, which as a seven-year-old, carrying 134 pounds, ran three and one-half furlongs at Butte, Montana, in 40½ on July 14, 1902.

The following is a table of the best time made by the winning two-year-olds during January, the letters following the time indicating the condition of the track:
